EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

This examiner's amendment corrects the dependence of claim 60 such that claim 60 depends from claim 59. An examiner's amendment mailed January 9, 2006 changed the dependency of claim 60 to claim 54 directly. However, dependence from claim 59 is necessary to provide antecedent basis for the claimed open position.

Authorization for this examiner's amendment was given in a telephone interview with David Taylor on January 18, 2006.

The application has been amended as follows:

In the claims:

claim 60, line 1, after "according to claim" delete "60" and insert --59--.
